## Bismark the Sugar Glider Face Painting Instructions

**Materials Needed** BRUSHES: Round, Wide, Small flat, Liner  
MAKEUP: White, Dark Pink, Grey, Black

**Step 1** Use round brush with white—outline eyes, making two big circles

**Step 2** Use wide brush with white—paint the bridge of nose upward onto forehead and over eyebrows creating open triangles

**Step 3** Use wide brush with grey—outline top of triangles

**Step 4** Use small flat brush with mix of pink & white (light pink)—fill in triangles (ears) and tip of nose. Use liner brush with dark pink—outline the white circles creating another ring of color

**Step 5** Use liner brush with black—line the ears and nose to add definition

## Tobin the Pangolin Face Painting Instructions

**Materials Needed** BRUSHES: Wide, Small flat, Liner  
MAKEUP: White, Grey, Black

**Step 1** Use wide brush with white—  
paint a line up from mid-lip,  
over cheekbones to the side of the eyebrows

**Step 2** Use wide brush with grey—  
cover the face inside the white lines in a  
rounded shape (Tobin's round face)

**Step 3** Use flat small brush with black—  
add small half ovals on side of face level  
with eyes (Tobin's ears)

**Step 4** Use flat small brush with black—  
fill in nose

**Step 5** Use liner brush with black—  
outline round face and add definition  
below nose / on lips

NEW YORK CITY

**Materials Needed** BRUSHES: Wide, Small Flat, Liner  
MAKEUP: Orange, White, Pink, Black

**Step 1** Use wide brush with orange—paint bridge of nose upwards to middle of forehead, then make triangles over eyes using eyebrows as the base

**Step 2** Use small flat brush with white—add inside edges of triangles (ears)

**Step 3** Use small flat brush and light pink (we mixed dark pink & white)—fill in the rest of the ears

**Step 4** Use liner brush with black—line top lid working from inside eye and swooping liner out and up to give a dramatic “wing-tip” effect

**Step 5** Use small flat with black—fill in tip of nose
