

# Reading Tips For Families

1. **Read Everywhere!** Books, signs, menus, ads! Translate for each other.
2. **Use Post-its in Your Home!** Label things in English and your home language. Quiz each other!
3. **Play Games!** Play I See on the subway or while walking using both English and your home language to describe what you see.
4. **Take Turns Reading Aloud!** Switch-off with your kids, each reading one sentence or phrase, and translate together.
5. **Read Your Interests!** Find articles on video games, futbol, pop stars, food! Translate them online and read in both languages.
6. **Make a book of *My Life, My Family*!** Write down the wonderful stories about who you are, where you are from, recipes, pets, traditions!
