Nocturnals

Bismark the Sugar Glider Face Painting Instructions

Materials Needed BRUSHES: Round, Wide, Small flat, Liner
MAKEUP: White, Dark Pink, Grey, Black

Step 1 Use round brush with white—make two big circles around eyes

Step 2 Use wide brush with white—sweep over chin, cheeks, nose and continue onto forehead making open triangles

Step 3 Use small flat brush with light pink (we mixed dark pink and white)—fill in ears and tip of nose

Step 4 Use liner brush and black—outline chin, cheeks, and ears

Step 5 Use round brush with dark pink—layer over white circles around eyes

Materials Needed BRUSHES: Wide, Small Flat, Liner
MAKEUP: Orange, White, Pink, Black

Step 1 Use wide brush with orange—paint bridge of nose upwards to middle of forehead, then make triangles over eyes using eyebrows as the base

Step 2 Use small flat brush with white—add inside edges of triangles (ears)

Step 3 Use small flat brush and light pink (we mixed dark pink & white)—fill in the rest of the ears

Step 4 Use liner brush with black—line top lid working from inside eye and swooping liner out and up to give a dramatic “wing-tip” effect

Step 5 Use liner brush with black—fill in tip of the nose (optional, mix colors and outline all)

Step 6 Use wide brush with white—sweep upward in a heart shape on both cheeks under eyes and to chin

Step 7 Use liner brush with orange—outline the white on cheeks and chin

Nocturnals

Tobin the Pangolin Face Painting Instructions

Materials Needed BRUSHES: Wide, Small flat, Liner
MAKEUP: White, Grey, Black

Step 1 Use wide brush with white—
paint lines from lip up the cheekbones
to the side of the eyebrows

Step 2 Use wide brush with grey—
cover the face inside the white lines in a
rounded shape (Tobin's round face)

Step 3 Use flat small brush with black—
make small half ovals on side of face
level with eyes (Tobin's ears) and fill in nose

Step 4 Use liner brush with black—
outline round face and below nose

Step 5 Use wide brush with grey—
sweep across chin

Step 6 Use flat small brush with black—
add scales to forehead

Step 7 Use liner brush with black—
outline scales and chin
